Letter no C1-11/44 dated the 10th July, 1944, from the Director of Food Supplies, recommending that the Deputy Commissioner, Mysore district, may be invested with the power to depute certain officers under his Control, to Coorg, whenever necessary in connection with the procurement of paddy from that place.

1) The Director of Food Supplies reports that in connection with the procurement of Paddy from Coorg, frequent deputation of food officers in the Mysore district have become a necessity and in occasions arise when the officers have to undertake the journey at short notice thus making it impossible to obtain previous sanction of Government to such deputations. The Deputy Comm. Mysore district, has (in his letter dated the 21st June 1944 to the D.F.S) therefore, sought general permission to depute the subordinate officers working in the district, to Coorg so long as, the Government Contracts with the Coorg Govern in food matters, subsist. The

Director of Food Supplies recommends that in so far as procurement of paddy from Coorg to the State is concerned, the Deputy Commissioner, Mysore may be invested with the following powers:—

(i) power to transfer the deputation of Non-gazetted officers under his control to Coorg, whenever necessary.

power to depute the Food Assistant under him to Coorg, after obtaining the previous approval of the Director F.S. for the deputation.

The Director further recommends that the journey performed by the Food Assistant to the Dep. Comm. Mysore once on the 16th May 1964, in connection with the transport of paddy from Coorg, may also be sanctioned.

2) The above proposals are for orders.

3) As the paddy quota (from Coorg) previously allotted has nearly all been moved into the State territory and no further allotment from that

A. place has been made so far, in general powers (i) and (ii) desired by me W-T-S, do not seem to be necessary.

4) Proposal (iii) re: me to be performed by me Food Asst to the Dep. Comm. Upon receipt of this 16th May, 1944, may perhaps be sanctioned.

8) Though the Taluk has nearly all the ryots there is still a quantity of 145½ tons which has to be lifted by mills in Coorg. The assistance of Mysore is also required. Further, the Dep. Comm of Coorg requires another 1050 tons of paddy outside the Taluk. Hence it is also the question of removing it from Coorg to Mysore

--oOo--

In forwarding herewith a copy of letter No.C.S.7/1043 dated 21st June 1944 from the Deputy Commissioner, Mysore, together with a copy of its enclosure on the above subject, I have the honour to state that frequent deputations of officers to Coorg are necessitated in connection with the procurement of paddy from Coorg. As the journeys are to be performed at times at short notice, it has not always been possible to obtain previous sanction prior to the deputation in each case. I therefore request that the Deputy Commissioner, Mysore District, may be delegated with the powers to sanction the deputation of non-gazetted officers under his control to Coorg whenever necessary in connection with the procurement of foodgrains. He may also be empowered to depute his Food Assistant to Coorg after obtaining my previous approval for the deputation. Sanction of Government may also be kindly obtained for the journey performed by the Food Assistant to the Deputy Commissioner on 16th May 1944 referred to in the Deputy Commissioner's letter.

(2) As these powers apply only for purposes of procurement of paddy from Coorg and are in respect of very few officers, the delegation of the powers recommended may kindly be sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

I further request that general permission may kindly be recommended to be granted to send any of my subordinate officers working in this District to Coorg whenever there is necessity and as long as our contract with the Coorg Government in food matter subsists.

ENCLOSURE:-

Letter No.C.S.7-1004/43 dated the 22nd May 1944 from the Deputy Commissioner, Mysore District, to the Director of Food Supplies in Mysore, Bangalore.

I have the honour to forward herewith a copy of my Food Assistant's report dated the 16th May 1944 regarding the arrangements made by him for the transport of paddy from Coorg, after discussing the matter with the Chief Commissioner of Coorg, for favour of your perusal. In the circumstances reported by him, I have requested the Chief Commissioner of Coorg, to hold back the last bill of the Coorg Federation till their gunny and paddy accounts are settled.

COPY

REPORT dated 16th May 1944 from the Food Assistant to the Deputy Commissioner, Mysore District, Mysore.

I saw the Chief Commissioner of Coorg this morning and discussed the following subjects and obtained his approval for several of my suggestions.

1. Transport of Paddy from Coorg:- I informed him that we had transported 1052 tons of paddy in December, 11,476 till 11-5-44 and that we had yet to transport 372 tons of paddy and the resultant rice of 2,000 tons of paddy. As suggested by me, he agreed that we might take away 372 tons of paddy immediately from any centre we choose preferably from Ponnampet, Thithamati and Gonikoppal where paddy was available and also at the nearest spot from Mysore. He has instructed Mr. Ponniah, Personal Assistant to Assistant Commissioner to visit the area tomorrow and arrange for the supply. I have also asked Mr. Nazir Ahmed, our Civil Supplies Inspector, to make immediate needful arrangements for transport from Ponnumpet area.

2. Transport of rice from Coorg:-- Mr. Chittiappa has executed an agreement to supply the resultant rice of five hundred tons of paddy. The other mill owners have intimated that they are unable to supply at the rate suggested by us. The Chief Commissioner was pleased to send for Mr. Chittiappa and induced him to supply a little more. Mr. Chettiappa informed him that he would supply the resultant rice of 750 tons. He has subsequently informed me that he might raise it to 1,000 tons. The Chief Commissioner suggested that we might remove paddy itself if the millowners did not agree to co-operate and supply rice to Mysore within 8 days from the same area noted above.

3. Gunny Bags:-- We have supplied 1,87,727 bags to the Coorg Federation and received back 1,71,189 bags. The Federation has to account for 16,538 bags. The President of the Federation Mr. Kushalappa has intimated our Civil Supplies Inspector that he cannot redistribute the gunny bags unless the programme is sent to him and worked by him. I learn that the gunny bags are held up by sub-agents in other centres where there is no stock of paddy and that some bags have been sent to Malabar. The accounting would take time. To avoid delay I have suggested to our Civil Supplies Inspector to take as many gunny bags as are immediately necessary and arrange for the transport of 372 tons of paddy as well as a portion of the 2,000 tons of paddy that is not agreed to be supplied by millowners in the shape of rice.

The Chief Commissioner informed me that he would speak to the Federation Officers on the 19th when they would come to him on a Deputation and that he would in the meanwhile speak to Mr. Changappa, Registrar of Co-operative Societies to advise the Federation to co-operate with our officers in the proper distribution of gunny bags and the procurement of paddy. I further requested him to hold back their last bill till the gunny and paddy accounts were verified and settled. He has kindly agreed to this suggestion also.

The Chief Commissioner stated that there was great dearth of wheat and wheat products in-Coorg. I informed him that we had received instructions to send 20 tons of wheat and wheat products during the month of May and 80 tons of Sindh Bengalgram to Coorg and the permits would be issued to merchants suggested by him.

4. Cattle --. As regards Cattle, the Chief Commissioner, did not want any cattle from any area where Rinderpest was prevailing and that he would be thankful if any kind of cattle was permitted to be sent to Coorg from other areas where there was no disease.

I and the Sub-Division Officer spoke to the Officer-in-Charge of Military Convoy at Hunsur and arranged for the transport of paddy from 19th Friday from Ponnampet area.
